

## Lightstone Ventures 2023 Biotech Summer Internship

### About Lightstone Ventures

Founded in 2012, Lightstone Ventures is a venture capital firm that specializes in investing in early-stage life science companies with approximately \$850M AUM. Lightstone seeks to identify and support innovative life science companies that have the potential to make a significant impact on human health. With a strong focus on working closely with their portfolio companies, Lightstone provides both financial support and strategic guidance to help these companies achieve their full potential.

### Program description

- Generate new investment themes through landscaping scientific innovations and investment opportunities using secondary research and discussions with industry experts
- Conduct due diligence and company-build activities as a member of the core team and contribute to the internal investment committee review process to arrive at financing decisions
- Ability to commit approximately 40 hours per week, including at least one day in the Boston office, regularly team check-ins and foster relationships with the core team

### Qualification

- Completed or in the final year of a professional scientific degree (PhD, MD, PharmD) or another professional degree (e.g., JD, MBA) in a relevant field such as biology, chemistry, biotechnology, bioengineering, biomedical sciences with a passion for life sciences and biotechnology
- Strong analytical and problem-solving skills, with the ability to think critically and creatively
- Demonstrated ability to frame scientific research in a business context, identify translational and commercialization strategies, and frame investment theses
- Excellent written and verbal communication skills, with the ability to effectively communicate complex scientific concepts to a non-scientific audience
- Strong organizational and time-management skills, with the ability to multitask and work effectively under pressure
- Ability to work independently and collaboratively in a team environment, with a positive and proactive attitude
